SE 2004

Furniture Haute Couture.

- A grand production at the Danish Design Centre

SE, The Cabinetmakers' Autumn Exhibition, moves into the Danish Design Centre from 6 November 2004 until 6 February 2005.

The association's architects and manufacturers present the finest output from their drawing tables and workshops under the theme Furniture Haute Couture.

The exhibition presents Danish furniture design 2004. Furniture that points to the future with great strength, innovation and autonomy.

An important exhibition with a strong profile.

SE

SE is an association of 66 furniture manufactures and architects. SE's purpose is to develop and stage an annual exhibition of new and experimental furniture types with strong practical and artistic qualities and excellent craftsmanship.

The association acts as an innovation lab for future furniture types and concepts.

SE is under the patronage of H.R.H. Crown Prince Frederik of Denmark, who will be present at the opening of this year's exhibition.

The opening speech will be held by designer Nanna Ditzel.
